### FINANCE AND COMMERCE

New York Stock Market.

New York, Nov. 15.—The stock market to-day was unfavorably affected by a variety of influences, none of which were unexpected, and whose effect might therefore have been regarded as discounted. The exception was a revival of sales of our securities for foreign account. This last development had not been generally figured upon, as the street hoped for support in this market from abroad, owing to the alleged more favorable turn in the foreign financial situation. The engagement of gold for export to-morrow's steamer could not be considered in the light of a surprise, as all indications recently have pointed to a resumption of the outward movement. The market opened quiet and at slight declines, but a moderate rally soon ensued, which for a time proved superior to the announcement of the engagement on \$2,250,000 in gold for export, including the house usually most conspicuous in gold movements. The effect of the news, however, was noted in decreased volume of trading. Eventually liquidation started here and there in the list, resulting in a lower range of prices generally. Tobacco was the chief sufferer, yielding 3 per cent. to 87. The closing was sluggish at slight recoveries generally from the low points. The final prices show fractional net declines in most cases.

Closing stocks were as follows:  
Atchafalpa, 17 1/2; Adams Express, 148; Baltimore and Ohio, 56 1/2; Chesapeake and Ohio, 19; Chicago, Burlington and Quincy, 85 1/2; Chicago Gas, 64 1/2; C. O. That Tired Feeling

Is a common complaint, and it is a dangerous symptom. It means that the system is debilitated because of impure blood, and in this condition it is especially liable to attacks of disease. Hood's Sarsaparilla is the remedy for this condition, and also for that weakness which prevails at the change of season, climate or life.

Hood's Pills act easily, yet promptly and efficiently, on the bowels and liver.

SORE THROAT. Any ordinary case may be cured in one night by applying Chamberlain's Pain Balm, as directed with each bottle. This medicine is also famous for its cures of rheumatism, lame back and deep seated muscular pains. For sale by The Chas. Lyle Drug Company.
